In recognition of *Freedom to Read Week* and intellectual freedom, author Greg Felton will explore how the Israel Lobby, evangelical Christians and neo-cons rode to power in the 1980s leading to a controversial, and some might say damaging, Israel-first foreign policy.

Greg Felton is a journalist and author of **THE HOST AND THE PARASITE — HOW ISRAEL'S FIFTH COLUMN CONSUMED AMERICA**. He specializes in the Middle East, Canadian politics, and media analysis.
